### Utility Connection Services

ONIT's concierge program offers free utility connection services to make sure everything you need to stay comfortable in your new place is ready as soon as you arrive. Just provide us with the details, and we'll guide you the rest of the way.

### Moving Services

Our moving services are here to help you bring your items to your new place. Packing and moving yourself? Hiring a moving company? We take the stress out of moving by giving you access to discounts and tips for every step of the move. When the big day arrives, there's no surprises, just a quick and easy move.

### Cable and Internet Pricing

We'll make the phone calls and do the research to find you the best and most affordable internet and cable providers in your area. That way you can enjoy your favorite programs or stay connected with secure Wi-Fi as soon as you step inside your new space.

### Home/Auto Insurance and Home Clue Report

Our team will provide you multiple options ensuring you receive the best home or auto insurance policy while also providing your home's claim history report.

### Smart Home Security and Automation

Protect your home with the latest in home security and automation technology. From security cameras and smart locks to doorbell cameras and window sensors, we have all your security needs covered.

### Whole Home Water Filtration

Filter out potentially harmful minerals and chemicals from your tap water with a professionally installed and fully-automated water filtering system.

Proud to be veteran owned and operated.
